DEPARTMENT OF ENGLISH

The College had to explore a junior college affiliated to the University of Kerala, a village located near Moolamattom, Idukki in 1961. The institution is managed and run by the OIA organization. The college, which is currently affiliated to Mahatma Gandhi University, offers nine UG programs, four PG programs and one research program.

The Department of English, which is a budding centre of creativity and scholarship, had its beginning in 1961. The Under Graduate Programme started in 2001 with Copy Editor as its Vocational Course. Later in 2016, Post Graduate Programme in English Language and Literature under which research was introduced. In addition, the Department offers Certificate programmes and Open course for remote aided and self-paced education in the competitive world. The Department aims to foster the talent on creative writing through stimulating employment oriented training. The communication and employability skills of the students are promoted by providing them to the sources of research for independent learning.

GLOBETHICS NET

Globethics.net is a global network of teachers and institutions with the vision to embed ethics in higher education. The founding members of Globethics.net have having equal access to knowledge resources in the field of applied ethics under individuals and institutions from developing and transition economies. It become more visible and usable in the global discourse. It offers programmes to support integrating ethics in education and to enable teachers, students, and those in the profession to make values-based decisions and to apply ethics in their daily work and lives. Globethics.net also offers access to knowledge resources in the form of a global digital library and through publications.

THEME OF THE CONFERENCE

Paradigms of Ethics in Ethnic Literature represent a diverse and thought-provoking field of discourse in which scholars and designers can innovate and critically analyse socio-political developments. The ultimate goal of regarding ethics, literature is to social reflection, cultural interpretation, and redefining the public sphere. Intellectual movement and critical history of ethnic elements in literature can challenge existing identities to alter established knowledge contributions. Discourse contributions of ethics in the voice of the scholars in their discourse about the institutionalisation of justice and morality.

The present conference offers a platform for deciphering and promoting new arena of knowledge in ethnicity and ethics. The seminar focuses on the radical construction of new readings that cause the hegemonic establishments that have previously distorted justice, rationality, and marginal spaces, distorting interpretations and representations. The seminar intends to harmonize new interpretations of ethics, ethnicity and critical examination of received readings.

Intellectual Property Rights & Research Methodology

St. Joseph's College Moolamattom boasts an active Intellectual Property Rights (IPR) cell. This cell serves as a testament to the institution's forward-looking approach, fostering an environment where innovation and creativity are nurtured and protected. Regular programmes organized by the IPR cell provide an avenue for both faculty members and students of the Department of Chemistry to actively engage and participate. This proactive involvement underscores the institution's commitment to holistic education and the cultivation of a comprehensive understanding of chemistry that extends beyond the classroom.
