**2.3.1 Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences and teachers use ICT-enabled tools including online resources for effective teaching and learning process**

**NATURE CAMPS**

## NATURE CAMPS

Nature camps offer numerous benefits to participants. These camps provide a unique opportunity for participants to learn about the local ecosystem, biodiversity, and environmental issues. Through hands-on experiences, they gain a deeper understanding of nature. Campers acquire practical outdoor skills such as hiking, wildlife observation, camping, and which not only enrich their knowledge but also make them more self-sufficient in natural settings. As part of the course paper 'Environmental Studies' in Undergraduate programmes, Nature Club of the institution organizes various activities to enable active learning.

## Nature Awareness Program

**Title of the Programme:** Nature awareness program

**Period of activity:** 12-14<sup>th</sup> December 2018.

**No of Participants:** 26

**Name of the organizing Department:** Nature Club

**Report:** The Nature Club of St. Joseph's College conducted a nature awareness program in partnership with the Department of Forest and Wildlife at Periyar Tiger Reserve, Thekkady, from December 12-14, 2018. The event comprised seminars highlighting the biodiversity and conservation importance of the reserve, along with wildlife discussions. Participants visited the Periyar Interpretation Centre, engaged in trekking, cultural events, and a wildlife quiz.

**Expected outcome:** The program successfully raised awareness about nature conservation, enriched participants' knowledge of the reserve's significance, and fostered a deeper understanding of wildlife and its preservation

**Photographs of the students who participated in the nature awareness program between 12-14<sup>th</sup> December 2018.**

### Three-day Nature Camp

**Title of the Programme:** Pampadum Chola National Park

**Period of activity:** 12<sup>th</sup> August to 14<sup>th</sup> August 2018.

**No of Participants:** 38

**Name of the organizing Department:** Tourism Club

**Report:** The Tourism Club of St. Joseph's College, Moolamattom, curated a transformative three-day nature camp at Pampadum Chola National Park, Munnar, from August 12-14, 2018. An enthusiastic participation of 35 students added vibrancy to the event. The camp facilitated an immersive experience with nature, nurturing environmental awareness and appreciation. Through guided treks, interactive sessions, and wildlife encounters, students gained insights into biodiversity conservation and sustainable tourism. The students also planted trees at Kadavari National Park.

#### **Expected outcome:**

This hands-on engagement kindled a profound connection with the natural world, instilling a sense of responsibility towards its preservation. The camp effectively combined education and adventure, fostering a generation of ecologically conscious and responsible individuals.

**Students at Pampadum Chola National Park**

## **Nature Awareness camp**

**Title of the Programme:** Nature Awareness Camp

**Period of activity:** 30/09/2019 to 02/10/2019

**No of Participants:** 30

**Name of the organizing Department:** Nature club

### **Report:**

The Nature Club of St. Joseph's College, Moolamattom, partnered with the Department of Forest and Wildlife Division for a nature awareness program at Periyar Tiger Reserve, Thekkady, held from September 30 to October 2, 2019. With active participation from 30 students across departments and 2 staff members, the event featured seminars highlighting Periyar's biodiversity and its crucial role in nature conservation, along with visits to the interpretation center, trekking, cultural engagements, and a wildlife quiz.

### **Expected outcome:**

The initiative aimed to enhance ecological understanding and foster conservation values among participants, promoting a deeper connection with nature and wildlife.

### Tourism Club

**Title of the Programme:** Nature Camp

**Period of activity:** 02/11/2019 to 04/11/2019

**No of Participants:** 27

**Name of the organizing Department:** Tourism Club

**Report:** On November 2, 2019, the Tourism Club of St. Joseph's College, Moolamattom, orchestrated a 3-day nature camp at Mathikettan Shola National Park, attended by 27 students and 3 teachers. The camp offered diverse activities, including trekking and educational sessions led by forest officers. It left an indelible impact, inspiring a generation of young conservationists committed to safeguarding our natural heritage.

**Expected outcome:** This immersive experience proved invaluable, fostering deep appreciation for forest preservation, diverse wildlife, and the ecosystem's importance. The event enhanced students' awareness of environmental conservation and enriched their understanding of various species.
