Street Play and Campaign against Domestic Violence

On December 9, 2021, a street play and a campaign titled "Orange the World" were held to create awareness against domestic violence. The street play was conducted by NSS Volunteers in association with the Department of Social Work, and 10 volunteers participated in the play. Program Officers Mrs. Roopa Jose and Mr. Abhilash Mathew led the program. The program was held in the college portico.

The campaign "Orange the World" was held in association with NCC and Women's Cell. The street play was a powerful performance that highlighted the different forms of domestic violence and the impact it has on victims and their families. The play also conveyed the message that domestic violence is never justifiable and that there are resources available to help victims. The street play and campaign were a success in raising awareness about domestic violence and encouraging people to speak out against it.

As part of our community integration programme, the social work team in association with Green Valley Development Association conducted a grant cultural event at Narakakkanam (Parish Hall). About 100 SHG members were present. Different sorts of cultural activities including dance, songs, mono-act and streetplay were performed during the cultural eve.

Official inauguration of the programme

Street play in progress

A street play and flash mob event were organized by the MSW Department of St. Joseph's College, Moolamattom on October 10th, 2023 (World Mental Health Day) served as a testament to the potential of education and creativity in promoting social awareness and community engagement. The impact extended from the medical college to Cheruthoni town, underscoring the lasting influence of these events on the local community. This event not only entertained but also educated, inspiring conversations and actions that can lead to positive social change. TSW circulated leaflets to the general public of Cheruthoni town about mental health awareness. It exemplified the college's commitment to producing responsible and socially conscious citizens who are ready to make a difference in society.

Students performing in the open was a new experience for the local people

The student of the institution conducted various Street plays in order to raise awareness about important social issues, such as gender equality, environmental conservation, and health awareness. They did provide a platform for students to develop public speaking, teamwork, and leadership skills. The street plays performed by our students motivated audiences to engage in positive change, fostering a more informed and empathetic society. These performances empowered students to be effective advocates and activists while educating the public and promoting social transformation.
