INTERNAL QUALITY ASSURANCE CELL (IQAC)

The National Assessment and Accreditation Council (NAAC), has proposed all accredited higher educational institutions to constitute an Internal Quality Assurance Cell (IQAC) to monitor the quality improvement initiatives of the institution. Following this proposal, St. Joseph's college has constituted an IQAC consisting of representatives of its stakeholders in order to ensure continuous improvement in all the operational aspects and thereby assure quality education.

The IQAC has been instrumental in devising quality benchmarks for various academic and administrative activities of the college and acts as an advisory body to the Management on policy decisions. Besides this, it undertakes the task of disseminating information on various quality parameters of higher education through workshops and seminars on quality related themes. The IQAC is also responsible for documentation of various programmes as well as the preparation of the Annual Quality Assurance Report (AQAR) and the Self Study Report (SSR) to be submitted to the NAAC.
