1. ORGANIC FARMING AT HOME

Date of activity: 07th October 2021

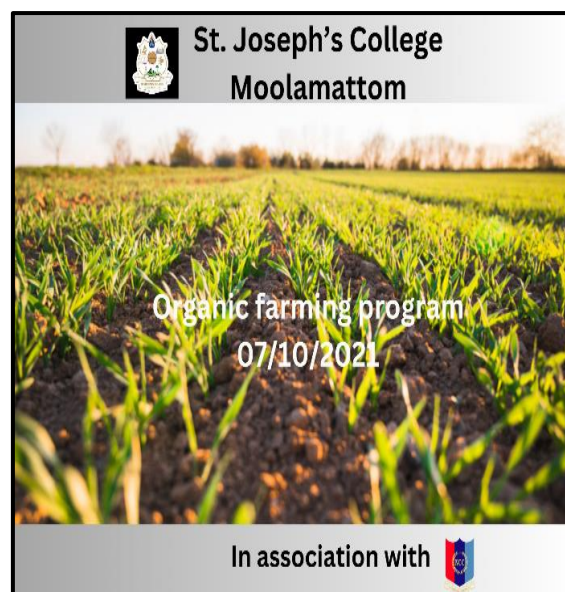

Name, Designation and Address of Resource Person: Fr. Philip Kaniyaparambil CMI and Ms. Sujithamol K.S

Name of the organizing Agency: NCC

Report: The 2020-23 batch students of St. Joseph's College, Moolamattom were enrolled for the MOOC course on Organic farming offered by the Mahatma Gandhi University. As part of the course, all students undertook the project 'Jaiva Poshaka Thottam' – organic vegetable garden at- their own houses. They were also introduced to organic manure making. To create awareness and interest in farming among students, with the support of NCC cadets, Organic Farming in the campus was inaugurated on 7/10/2021, by Fr. Philip Kaniyaparambil CMI and Ms. Sujithamol K. S., Agricultural officer.

Outcomes:

The outcome of organic farming in the campus resulted in improved soil health, reduced chemical usage, and the production of healthier, pesticide-free vegetables. Additionally, it also raised the awareness about sustainable agriculture practices among students and the community, promoting environmental stewardship.

2. PLASTIC FREE CAMPAIGN

Period of activity: 23rd March 2021

Number of participants: 8

Name of the Organising Department: Tourism Club

Report:

Members of the Tourism Club of St. Joseph's College, Moolamattom, under the visionary guidance of its coordinators, conducted a plastic free campaign to the popular tourist destinations near the College. With the ceasing of the lock down curbs and the dwindling fear of Covid pandemic, the tourist destinations are flocked with people; so also the piling up of plastic and other non-degradable waste materials. On this context, the Tourism club of this College conducted a cleaning drive to the Elappally water falls, which is the gate way to Wagamon hills, a popular hill station in Idukki and collected and segregated the waste materials.

Outcomes:

This campaign helped to eradicate the plastic from the environment and provide awareness on cleanliness to the society as well as students.

3. PLASTIC WASTE DISPOSAL

Date of activity: 07th December 2019

No of Participants: 39

Name of the organizing Department: NCC

Report:

As a part of the Swach Bharath Initiation, NCC cadets conducted a Plogging (Jogging + Cleaning) on 7-12-2019. PI Staff from 18 Kerala battalion NCC Muvattupuzha led the programme. Students collected the Plastic and other waste materials along the road side from Kanjar Town to Arakulam Public Health Centre.

Outcomes:

Students understood the importance of collecting and recycling plastic waste and they realized the need for a systematic effort to collect plastic waste around us.

4. COLLECTION OF PLASTIC WASTE AND CLEANING DRIVE

Date of activity: 30th March 2022

No of Participants: 9

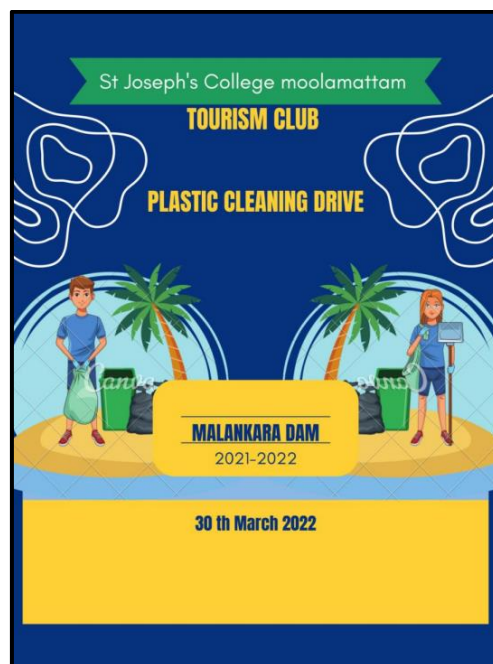

Name of the organizing Agency: Tourism Club

Report:

Under the aegis of Tourism Club at St. Joseph's College, Moolamattom, a cleaning drive was organized in the premises of Malankara dam. As a result of lifting the COVID restrictions in the state, the tourism sector has made a comeback, which resulted in the littering plastic waste in the premises of the dam. Realising the dire necessity of maintaining the premise of the dam as plastic free zone, the members of the club volunteered to clean the area.

Outcomes:

The Outcomes of the cleaning drive is that the premises of Malankara dam was made free of plastic waste, making it a cleaner and healthier environment for tourists and wildlife. Moreover, the positive initiative taken by the Tourism Club will encourage others to follow suit and take care of the environment.

5. SETTING UP OF ORGANIC VEGETABLE GARDEN

Period of activity: 17th August to 23rd August 2020

Number of participants: 50

Name of the organizing club: NSS

Report:

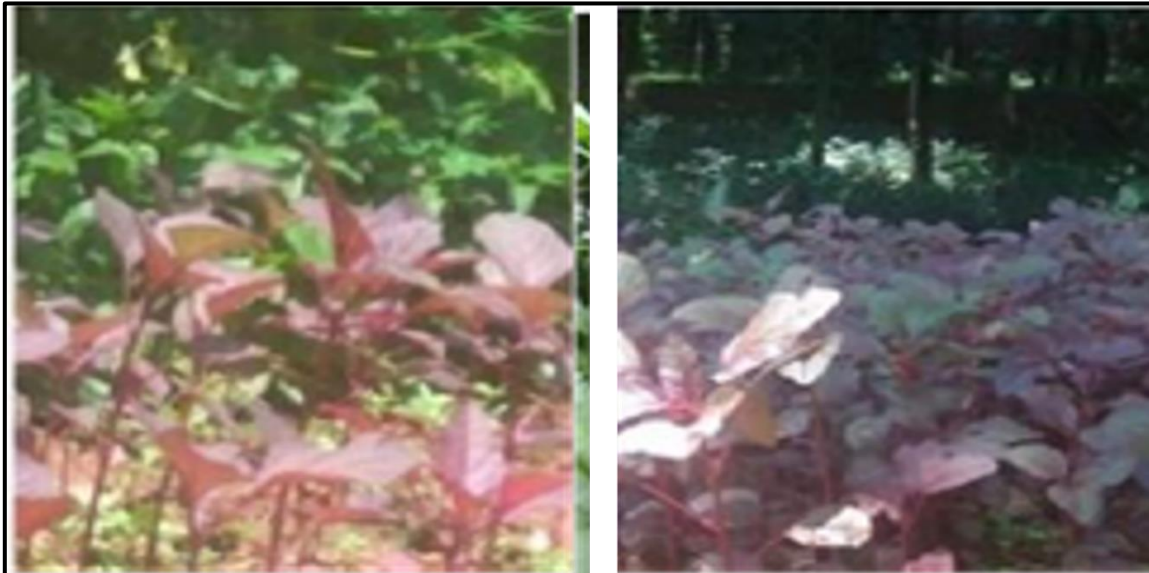

NSS volunteers were assigned the task of setting up an organic vegetable garden in their respective homes during the lockdown period, to encourage the cultivation of their own food at home. The volunteers enthusiastically took up the challenge and posted the pictures of their successful cultivation.

Outcomes:

Assigning NSS volunteers the task of making organic vegetable gardens at home during the lockdown resulted in increased self-sufficiency among the volunteers as they cultivated their own food. The initiative not only encouraged practical skills in gardening but also promoted a sense of resilience and sustainability during challenging times, fostering a greater connection to food sources and a valuable life skill.

6. THREE-DAY NATURE CAMP

Period of activity: 12th to 14th August 2018

No of Participants: 38

Name of the organizing Department: Tourism Club

Report:

The Tourism Club of St. Joseph's College, Moolamattom, curated a transformative three-day nature camp at Pampadum Chola National Park, Munnar, from August 12 to 14, 2018. An enthusiastic participation of 35 students added vibrancy to the event. The camp facilitated an immersive experience with nature, nurturing environmental awareness and appreciation. Through guided treks, interactive sessions, and wildlife encounters, students gained insights into biodiversity conservation and sustainable tourism. The students also planted trees at Kadavari National Park.

Outcomes:

This hands-on engagement kindled a profound connection with the natural world, instilling a sense of responsibility towards its preservation. The camp effectively combined education and adventure, fostering a generation of ecologically conscious and responsible individuals.

7. DESTINATION CLEANING PROGRAMME-2018

Period of activity: 28th September 2018

No of Participants: 11

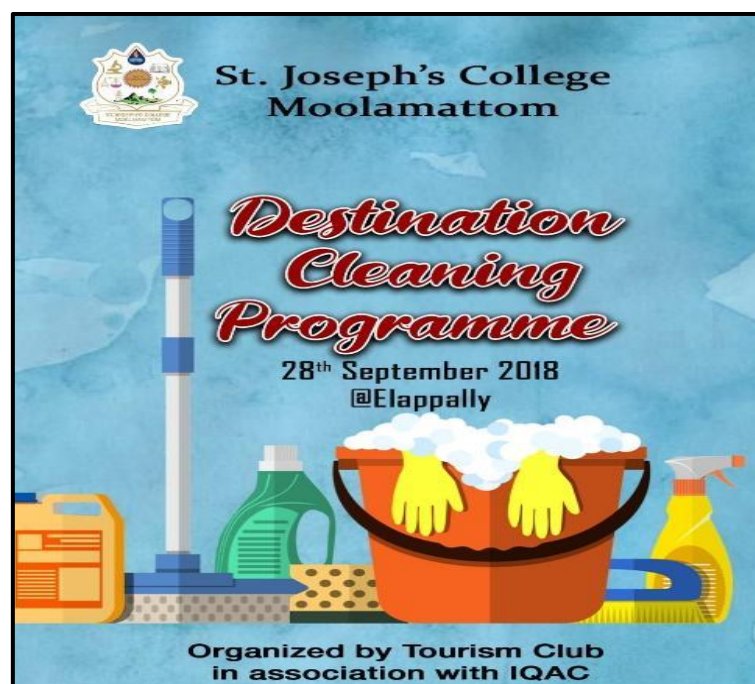

Name of the organizing Department: Tourism Club

Report:

The Tourism Club of St. Joseph's College, Moolamattom, orchestrated a destination cleaning campaign at Elappally Waterfalls on September 28, 2018. The students engaged enthusiastically, effectively enhancing the site's cleanliness and preserving its natural beauty. An invigorating trekking expedition to Pullikanam was also organized, providing students with an opportunity to explore the outdoors and appreciate nature's wonders. The dual initiatives showcased the College's commitment to environmental conservation, fostering a sense of responsibility among students.

Outcomes:

The combination of the cleaning drive and the trekking experience not only contributed positively to the local environment but also enriched the participants' understanding of ecological stewardship.

8. CLEANING AT ARAKULAM PRIMARY HEALTH CENTRE

Date: 2nd October 2018

Number of participants: 85

Name of the organization: NCC

Report:

Commemorating the Gandhian manthra 'Cleanliness is Godliness', NCC cadets organized a cleaning campaign on Gandhi Jayanti Day. They undertook the cleaning of the premises of the Arakulam Primary Health Centre. They also took the oath of cleanliness.

Outcomes:

Students became aware of the importance of cleaning their surroundings and it will generate a sense of compassion to the fellow beings in the society.

9. NATURE AWARENESS PROGRAMME-2018

Period of activity: 12-14th December 2018.

No of Participants: 26

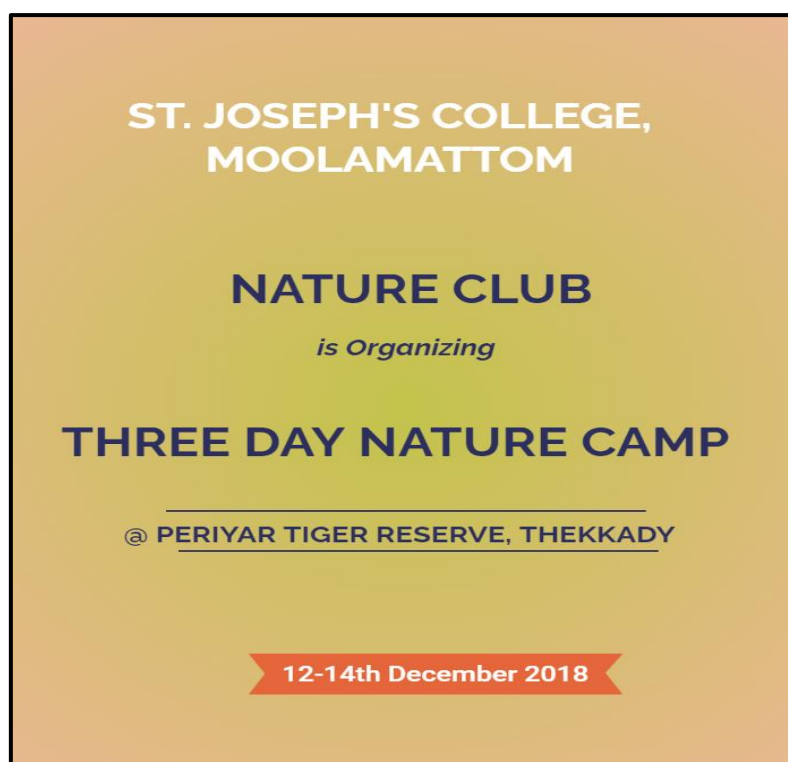

Name of the organizing Department: Nature Club

Report:

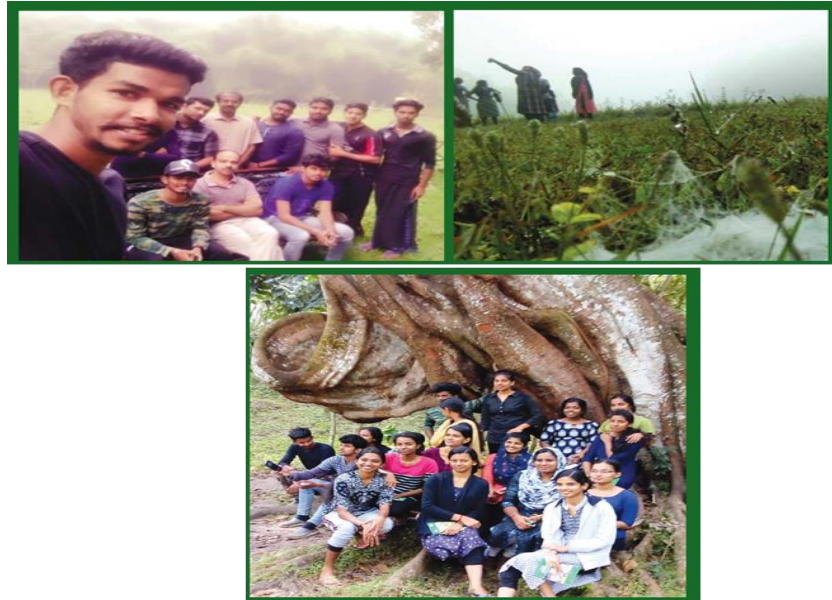

The Nature Club of St. Joseph's College conducted a nature awareness programme in partnership with the Department of Forest and Wildlife at Periyar Tiger Reserve, Thekkady, from December 12-14, 2018. The event comprised seminars highlighting the importance of the conservation of biodiversity in the reserve, along with discussions on wildlife. Participants visited the Periyar Interpretation Centre, engaged in trekking, cultural events, and participated in wildlife quiz.

Outcomes:

The programme successfully raised awareness on nature conservation, enriched the participant's knowledge of the reserve's significance, and fostered a deeper understanding of wildlife and its preservation.

10. SIGN BOARD CLEANING

Date of activity: 11th January 2019

Chief Guest: Sri. P.K. Shajahan, Sub Inspector of Police, Muttom

Name of the organizing Department: Tourism Club

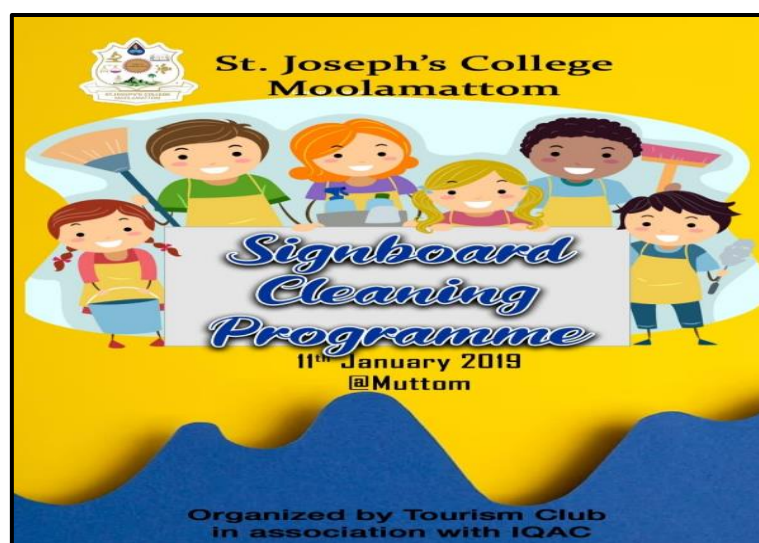

Details of the Collaborating Agency: Dr. Siby Joseph Memorial Charitable Trust

Report:

In collaboration with the Tourism Club of St. Joseph's College, Moolamattom, the Dr. Siby Joseph Memorial Charitable Trust orchestrated a successful one-day signboard cleaning initiative, stretching from Thodupuzha to Moolamattom, on January 11, 2019. The event was inaugurated by Sri. P.K. Shajahan, Sub Inspector of Police, Muttom. Under the guidance of Dr. Saju M. Sebastian, the programme achieved remarkable results. This collaborative endeavor showcased the power of collective action for a cleaner and more inviting locality.

Outcomes:

The effort not only enhanced the visual appeal of the region, promoting tourism, but also demonstrated the community's commitment to maintaining cleanliness and contributing to the local environment's well-being.

12. ROADSIDE CLEANING

Date of activity: 27th July 2019

No of Participants: 90

Name of the organizing Agency: NSS

Report:

On July 27th, the NSS team of St. Joseph's College, Moolamattom, initiated a cleanliness drive with a roadside cleaning programme. Dedicated volunteers worked diligently to clean the Thodupuzha – Pulianmala Road section near the College campus, contributing to a cleaner environment and promoting community awareness.

Outcomes:

This programme is aimed to enhance the local environment and promote community involvement. By actively participating in cleaning a public area, the volunteers can inspired others to be more conscious of waste disposal and cleanliness. It will also increase the awareness about the importance of maintaining public spaces, and a positive influence on the local community's attitudes towards cleanliness.

13. NATURE AWARENESS CAMP-2019

Period of activity: 30th September to 02nd October 2019

No of Participants: 30

Name of the organizing Department: Nature Club

Report:

The Nature Club of St. Joseph's College, Moolamattom, partnered with the Department of Forest and Wildlife Division for a nature awareness programme

at Periyar Tiger Reserve, Thekkady. It was held from September 30 to October 2, 2019. With active participation from 30 students across departments and 2 staff members, the event featured seminars highlighting Periyar's biodiversity and its crucial role in nature conservation, along with visits to the interpretation center, trekking, cultural engagements, and a wildlife quiz.

Outcomes:

The initiative aimed to enhance ecological understanding and foster conservation values among participants, promoting a deeper connection with nature and wildlife.

Period of activity: 02nd November 2019 to 04th November 2019

No of Participants: 27

Name of the organizing Department: Tourism Club

Report:

On November 2, 2019, the Tourism Club of St. Joseph's College, Moolamattom, orchestrated a 3-day nature camp at Mathikettan Shola National Park, attended by 27 students and 3 teachers. The camp offered diverse activities, including trekking and educational sessions led by forest officers. It left an indelible impact, inspiring a generation of young conservationists committed to safeguarding our natural heritage.

Outcomes:

This immense experience proved invaluable, fostering deep appreciation for forest preservation, diverse wildlife, and the ecosystem's importance. The event enhanced students' awareness of environmental conservation and enriched their understanding of various species.

Date of activity: 18th December 2019

No of Participants: 9

Name of the organizing Department: Tourism Club

Report:

The Tourism club of St. Joseph's College, Moolamattom, organized a 'Sign Board Cleaning Programme' on December 18, 2019. Nine dedicated students enthusiastically participated in this initiative, diligently cleaning signboards across a ten-kilometer stretch. This noble endeavor not only beautified our local environment but also instilled a deep sense of social responsibility and community engagement in the participants.

Outcomes:

This programme will promote values of civic duty and environmental stewardship while promoting teamwork and leadership skills. The Outcomes of this event was not just the physical improvement of signboards but the long-lasting impact of a socially conscious and responsible student body.

16. AWARENESS PROGRAMME ON THE REDUCTION OF PLASTIC USAGE

Date of activity: 10th January 2020

No of Participants: 23

Name of the organizing Department: Department of Social Work

Report:

On January 10, 2020, the first-semester students of the Department of Social Work initiated a commendable awareness programme focused on reducing plastic usage within the Muttom Grama Panchayat. This endeavor aimed to address the critical issue of plastic pollution by engaging with local businesses and distributing informative leaflets. The initiative was driven by the commitment of these students to promote environmental sustainability.

Outcomes:

The primary Outcomes is the heightened awareness within the Muttom Grama Panchayat regarding the harmful effects of plastic usage. Local businesses and residents are expected to be more conscious of the use of plastic consumption.

Local Impact: The reduction of plastic usage at the local level can have a significant impact on the environment, reducing plastic waste and its associated ecological consequences.

18. WORLD ENVIRONMENT DAY CELEBRATIONS- AT HOME

Date of activity: 5th June 2021

No of Participants: 50

Name of the organizing Agency: NSS

Report:

NSS Unit celebrated the World Environment Day on 5th June 2021 in a novel way by giving "Plant a Tree" Challenge to the students and the staff of the College. A volunteer who plants a tree at his/her home challenges 3 others from among his friends to do the same and to post their picture. The same is done by the 3 others who are challenged, and the chain goes on. 48 students and 20 staff members participated enthusiastically in the Challenge.

Outcomes:

The "Plant a Tree" Challenge initiated by the NSS Unit on World Environment Day in 2021 not only encouraged 48 students and 20 staff members to actively contribute to reforestation but also fostered a sense of environmental responsibility within the College community, creating a ripple effect of tree planting and environmental awareness. This initiative not only increased green cover but also strengthened the bonds of environmental stewardship among the participants, promoting a sustainable mind set.

19. ONE DAY TREKKING TO SHOLA WOODS, KULAMAVU

Date: 27th September 2023

Number of Participants: 46 students

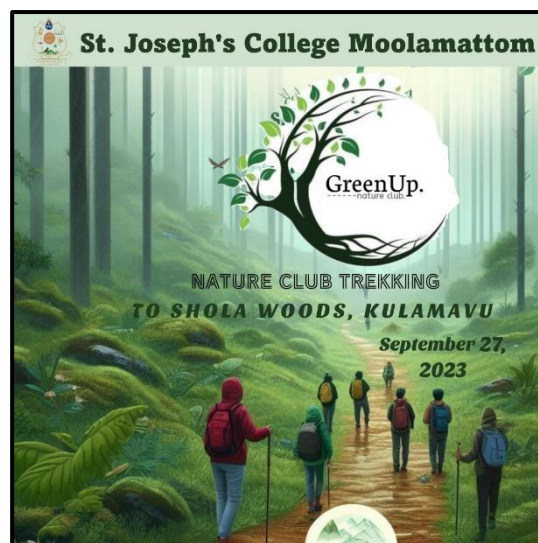

Organized by: GreenUp Nature Club of the College

Report:

The GreenUp Nature Club of the College organized an enriching one-day trekking event at Shola Woods, Kulamavu. The day was marked by a milieu of changing weather patterns that ranged from warm sunshine to mist, followed by a gentle drizzle, torrents of rain, and dense fog. As the day progressed, students were treated to the refreshing experience of clear, cool air. This ever-changing weather backdrop offered participants a unique and invigorating experience, allowing them to fully immerse in the wonders of nature.

Outcomes:

The GreenUp Nature Club's one-day trekking event at Shola Woods, Kulamavu, provided students with a dynamic encounter with nature, fostering a deeper appreciation for the environment and promoting physical and mental well-being.

20. TREKKING AND DESTINATION CLEANING

Date: 17th October 2020

No of students Participated: 23

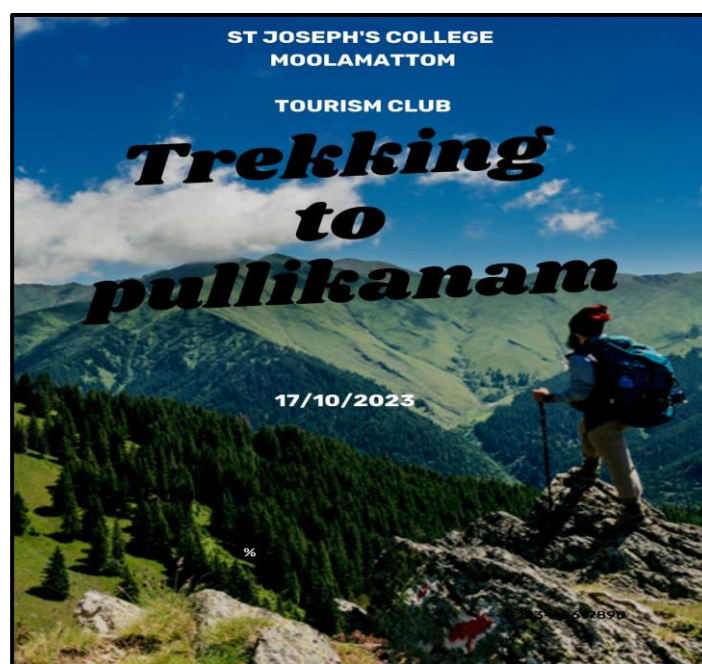

Organizing Agency: Tourism Club

Report:

Tourism Club at St. Joseph's College, Moolamattom is an active club in the College and organizes multi-various programmes for students who are willing to get in touch with nature. On 11/10/2023, the students of the club went on a trekking to Pullikanam kurishumala. 23 students actively participated in this programme. This programme connects students with nature, fostering an appreciation for the environment. Additionally, on the same day, a destination cleaning initiative was conducted at Ellappally Waterfalls.

Outcomes:

The Outcomes is to instill in students a deeper love for the natural world and a sense of responsibility towards preserving it, while also fostering a cleaner and more sustainable environment at the destination.
