## **Report**

On August 23, 2023, the Department of Chemistry at St. Joseph's College, Moolamattom, hosted a dynamic Alumni Interaction and Seminar focused on "Essential Expertise for a Successful Career in Chemistry." The event featured Sreelakshmi S, Assistant Professor and Head of the Department at Government College Kattapana, as the resource person. Sreelakshmi S, with her extensive expertise, delivered an insightful presentation emphasizing the crucial skills and knowledge required for a flourishing career in the field of Chemistry. The seminar provided attendees, including students and faculty members, with valuable guidance on navigating the challenges and opportunities within the discipline. Sreelakshmi S's engaging discourse not only inspired the audience but also facilitated a meaningful exchange of ideas. The event served as a platform to bridge the gap between academic pursuits and practical insights, contributing to the holistic development of individuals aspiring to excel in the field of Chemistry.

Date: 23/08/2023.
